The Real Secret of the unparalleled success of THE CHICAGO DAILY News may be found in two distinguishing characteristic, which more than anything else have contributed to its remarkable growth.

First:—It is a Daily Paper for Busy People. The people of the busy West appreciate keenly the necessity of an intelligent knowledge of the world's daily doings, but they are too busy to waste valuable time in searching through a cumbrous "blanket sheet!" newspaper for the real news of art, literature, science, religion, politics, and the thousand-and-one things which make up modern civilization. They want news—all the newspaper for the real news of modern civilization. They want news—all the newspapering mass of the trivial and inconsequential. It is because THE CHICAGO DAILY NEWS is "all wheat and no chaff," that its circulation is over "a million a week."

SECOND:—It is an Independent, Truth-telling Newspaper. The people demand a fair, impartial, independent newspaper may truly be "guide, philosopher and friend" to honest need every shade of political faith; andthis is why THE CHICAGO DAILY NEWS has today a circulation of over "a million a week."

day a circulation of over "a million a mech." THE CHICAGO DAILY NEWS now adds to these two comprehensive elements of popularity, a third, in its unparalleled reduction of price to ONE CENT A DAY,
It is always large enough,—never too large.
THE CHICAGO DAILY NEWS IS for sale by all newsdealers at One Cent per copy, or will be mailed, postage paid, for \$5.00 per year, or 25 cents per month. The farmer and mechanic can now afford, as well as the merchant and professional man, to have his metropolitan daily. Address VICTOR F. LAWSON, \*
